Center-Based Child Care

What is Preferred Enrollment?

Preferred Enrollment allows you to gain access to available full-time child care spaces in Bright Horizons centers ahead of the general community.

Will discounts be offered at Bright Horizons centers?

At this time, discounts are not offered at Bright Horizons centers. Discounts are offered at select participating network centers.

Do I have to pay a registration fee for Preferred Enrollment?

While Preferred Enrollment is offered to you free of charge, you do pay a fee to register at a child care center. However, that initial registration fee will be applied as a credit (up to a maximum of \$250) towards your next tuition payment after 30 days of enrollment at any participating Preferred Enrollment center. When selecting a center, you can download a coupon, which you should print and bring with you when you visit.

If I am already registered at another Preferred Enrollment center location, am I still eligible for the registration fee credit?

Yes. If you enroll your child at a new Bright Horizons center location, the Registration Fee Credit is applied when you enter your second full month of enrollment. Therefore, you will be eligible at any participating center where you choose to enroll your child.

What is the Tuition Discount benefit?

The Tuition Discount benefit provides you with a discount of up to 10% off child care tuition and a waived registration fee at select participating centers.

What age groups are eligible for a tuition discount?

Tuition Discounts vary by center, and may only be available for children ages 2 and older. Check with your preferred center for details.

What if I am currently enrolled in a participating center for the Tuition Discount benefit?

If you are currently enrolled in a participating center that offers a Tuition Discount, please reach out to your center director to inquire about the discount benefit. You will then be eligible to receive up to 10% off of your tuition moving forward. Some discounts are only available for new enrollments. Please refer to your benefit website to identify the discounts available to you. Discounts cannot be applied retroactively.

How do I find child care centers where I have access to Preferred Enrollment and Tuition Discounts?

Visit your benefit website and click on the [Preferred Enrollment and Tuition Discounts](#) link under the Bright Horizons Additional Family Supports section. This will bring you to the Preferred Enrollment and Tuition Discounts site, where you will be able to use the center search locator to find center options in your desired area.

Is care available for family members with special needs?

We make every effort to accommodate care recipients with special needs, which may include physical, emotional, or developmental challenges.

What if I am in the process of custody arrangements for my child?

Bright Horizons cannot limit any parent's or guardian's access to his or her child without legal authority. If you believe any access or custody issues will arise during the course of your child's care, you must provide a copy of a signed court order prior to care.
